<p>Testimonials:</p> <p>Please describe one advantage of studying through the Oaks Sixth Form.</p> <p>What has the Oaks Sixth Form helped you to achieve?</p> <p>How has the Oaks Sixth Form helped you decision-making for the future?</p>	<p>The Oaks Collegiate system meant that I was able to do all of the A Levels that I wanted to, rather than having to choose my subjects based around what my school could offer me. The teachers from all of the collegiate schools were very encouraging and always helped me in any way that they could to ensure that I excelled. Travelling to the different schools has helped me to become a much more independent person - this should be a useful skill for me when I go to university.</p>
